

Town of Lebanon Ethics Code Drafting Committee

Minutes of the November 10th, 2008 special meeting

Members Present: B. Green, S. Palmer, D. Bruce, T. Thompson

Member(s) absent: Phil McLellan

Other Attendees: Ron Cowles

This meeting was called to order at 1910 hours by Chairman Thompson.

The group discussed the following:

1. M/M by B. Green, second by D. Bruce to table voting on September/October minutes until December, 2008 meeting. Motion carried.
2. The group again spoke at length of ideas on how to pass a Code of Ethics for the Town of Lebanon. 124 of 169 cities and towns in Connecticut have already adopted a formal ethics policy to date, and at least half of these municipalities have reported no complaints.
3. It is our goal to begin marketing to commissions, boards, and the general public in 2009. We will use current statistics, special guests, and perhaps some sort of flyer(s). Perhaps we can get either a State Representative or Senator to speak out in favor of a code of ethics for our town?
4. We will print a meeting schedule for 2009 in *Lebanon Life* to hopefully get more attendance at our regular meetings.
5. Members of this committee will e-collaborate over the next few weeks to get a working draft of a flyer to produce.

Motion made B. Green, second by D. Bruce to adjourn at 2045 hours.

The next meeting will be held on December 8th, 2008 at 1900 hours.

Respectfully submitted,

Brian Green

Secretary
